Subject: Thank you

Hi Theresa

I'd like to thank you for your assisting us with our spitbraai and making it all happen in less than 24 hours notice.

Everyone was raving about the food and couldn't stop praising Anele. He was so polite and friendly and took great pride in his skill and workmanship and is the consummate professional!!

Thanks again, I will most certainly refer you to all my friends and family.

Kind regards

Sadia Hartle
